

CALIBRATION WORK ORDER

ADJUSTABLE TEMPERATURE INDICATOR WITH SENSOR

(The temperature indicator and sensor are calibrated as a set by subjecting the sensor to temperatures via calibration baths and/or ovens.)

Request Date: ____/____/____

Required By Date: ____/____/____

Company Name: _____

Company Contact: _____

Billing Address: _____

Email Address: _____

Phone: _____

Fax: _____

Shipping Requirements

Shipping Address:

Massachusetts Metrology and Instrument Service
One Liberty Square
Rockland, MA 02370
Phone: (781) 982-7125
Fax: (781) 982-7152

Return Shipping Information:

Company Name: _____
Contact: _____
Address: _____

Department: _____
Building/Lab Number: _____

Return Shipping Instructions: Ground Overnight 2nd Day Other: _____

Return Shipping Insured Value: _____

Massachusetts Metrology's primary shipping carrier is United Parcel Service.

Documentation Requirements

All Calibration Certificates include "As Found" and "As Left" data and are NIST traceable.

Name on Certificate (if different from above): _____

Address on Certificate (if different from above): _____

Please select any additional documentation requirements that apply.

- ISO/IEC 17025 Accredited Certificate Uncertainty Required (no additional cost)

Not all calibrations performed at Massachusetts Metrology and Instrument Service are ISO/IEC 17025 Accredited. Please review our scope of accreditation for further details.

Description of Temperature Indicator and Sensor

<u>Indicator Manufacturer</u>	<u>Model #</u>	<u>Serial #</u>	<u>ID#</u>
_____	_____	_____	_____
<u>Sensor Manufacturer</u>	<u>Model #</u>	<u>Serial #</u>	<u>ID#</u>
_____	_____	_____	_____

Combined Tolerance: _____ Cal Interval: _____ Cost: _____

24 Hour Expedited Service Required (\$50.00 per Indicator and Sensor Set) Yes No

48 Hour Expedited Service Required (\$30.00 per Indicator and Sensor Set) Yes No

Expedited Calibration Service Must Be Scheduled in Advance With Customer Service - (781-982-7125)

Special Instructions and/or Method Requirements (if any)

If there are any special instructions and/or calibration method requirements, please specify them below.

Pricing

Pricing is per test point and is based on the temp indicator's and sensor accuracy.

Test Point(s)

For accuracies of .5°C (.9F) or larger	For accuracies less than .5°C (.9F)		
First temperature: \$50.00	First Temperature: \$75.00	1) _____	5) _____
Each additional temperature: \$25.00	Each additional temperature: \$37.50	2) _____	6) _____
If adjustments are required, add 50% of total. (determined at time of calibration)	If adjustments are required, add 50% of total. (determined at time of calibration)	3) _____	7) _____
<i>Typical sensors include thermocouples and thermocouple wire.</i>	<i>Typical sensors include RTDs, Thermistors and PRTs.</i>	4) _____	8) _____

If additional calibration via electronic simulation is required for the temp indicator, contact us for pricing.

Payment Method

Payment Method: Established Account COD AMEX Master Card VISA
